Miles fly by in first-class comfort

Be it on business or pleasure, the Sorento pampers you with its lavishly appointed interior. While you're comfortably seated in its luxurious 8-way Power Adjustable Driver Seat designed for comfort and support, just indulge in all these sophisticated features. Automatic air-conditioning with climate control. A premium 8-Speaker and 6-CD Changer audio system with steering wheel mounted controls. Luxurious leather upholstery. Multi meter with compass, relative altimeter and barometer functions. Even a sunroof.

Leather upholstery & wood grain inserts

Exceptional ride and handling anywhere you go

Master any terrain you traverse on because the Sorento has been engineered for optimal ride and handling characteristics. That is what you can expect from a suspension system meticulously fine-tuned by the experienced experts at Porsche.

SUSPENSION SYSTEM
TUNED BY
PORSCHE

Front Suspension - In-Wheel Type Double Wishbone

Rear Suspension - Rigid axle with a Five-link layout

Multi-meter with compass, altimeter & barometer

Flip-up tailgate window

Power sunroof

Premium 8-speaker, 6-CD changer audio system

A multitude of handy storage spaces

Luxurious and comfortably spacious interior

Foldable rear seats for enormous cargo space

Dual airbags

8-way power adjustable driver seat

Steering wheel mounted audio controls

Cruise control

Its true beauty starts with its reliability

Class-leading power and outstanding economy characterise the Sorento's new generation CRDi (Common Rail Direct Injection) Turbo Intercooled 2.5-litre engine. After undergoing extensive R&D for reliability, it delivers a maximum power of 140PS @ 3,800rpm and maximum torque of 314Nm (32kgm) @ 2,000 rpm and a 20% improvement in efficiency at 18.5% reduction in emissions. Generating 140PS, it is the highest output 2.5-litre diesel-engine sold in Malaysia. Optimal performance and safety are ensured under all driving conditions with the intelligent 5-Speed Automatic Transmission with Adaptive Shift Control, LSD (Limited Slip Differential) and ATT (Active Torque Transfer) system. Power and torque are transferred as required, enhancing traction, handling agility, steering precision and fuel efficiency. All these impressive features combine to make the NAZA Sorento a truly exhilarating drive that's in a class of its own.

CRDi (Common Rail Direct Injection) Turbo Intercooled 2.5-litre engine

Speed sensing power steering

5 speed automatic transmission with Shifttronic

Choice of traction modes - Auto / Low

Front & rear ventilated disc brakes

Rigid reinforced bodyshell

Safety without compromise

The multitude of leading-edge safety features in the Sorento speak volumes of our uncompromising approach to safety. It starts with a sturdy body-on-frame design and continues with numerous other proven safety features. Dual airbags. Side impact bars. ABS and EBD. Front and rear ventilated disc brakes. Child safety door locks. Peace of mind comes standard.

ABS with EBD

NAZA SORENTO

Tame the urban jungle or conquer the great outdoors. Whichever path you decide to take on, the NAZA Sorento's all-terrain capabilities put you firmly in control. With its exemplary road manners and ground breaking features, every aspect of the exceptional Sorento has been meticulously engineered and optimised to take you places. In style and in comfort.
